As of now, we do not have a record that you have qualified as CCR. Principal approval through development of a plan and completion of this form is required in order to be granted an early release if you are not already qualified. Please answer the below questions and submit the form to Mr. Bradford or your counselor for approval. ***Administration reserves the right to develop a plan for a student if they fail to complete their agreed upon plan.**

1. Have you met one of the above criteria for which the school does not yet have a record of? If so, which one? (documentation required)

2. If you have not met one of the above criteria, a concrete and attainable plan must be in place in order to be granted early release. How do you plan to obtain your CCR certification? (This can be done through taking additional CTE classes, taking an AP or dual enrollment courses, completion of a Golden Strip Career Center Program, taking ASVAB, etc.) *If you need assistance in developing a plan, contact your counselor or Mr. Bradford.*

3. Are you interested in participating in a summer administration of the ASVAB career exploration test to obtain your CCR certification prior to the 2022-2023 school year? (Circle One)
