Directions for Student Course Registration

Phase 1	Your teachers will recommend what courses they think you should take next year in Power School.
Phase 2	You will learn about course registration and receive a course registration card. Counselors and Teachers are available to discuss the recommendations teachers made for you.
Phase 3	You will return your registraton card to the Guidance Office by Wednesday, March 16th. Counselors will be hosting 2 advisories (February 23rd and March 9th) and will also be in the atirum Tuesday and Thursday of each lunch period from Feb 24th - March 15th to assist with registration questions and course selections. If you want to take a class for which you were not recommded or approved, you must complete the "Parent Override" process and form by March 31, 2022.
Phase 4	Students and families will have an opportunity to review their course requests for next year one final time the week of April 12th. All requests will be finalized the end of the day 4/16.

Guidelines for Registering and Schedule Changes

Students should carefully select courses during the registration process, including the selection of alternative courses. Student requests determine the courses that will be offered in the master schedule.

Requests to change courses selected on the student registration card, including a change in course level (ex: CP, Honors, AP) and parent override requests, must be made by March 31st.

No preference changes will be made after this deadline unless summer courses and/or credit recovery warrants a change.

Student and Parent/Guardian Acknowledgment

By signing below, I acknowledge I understand the guidelines for course registration & schedule changes. I understand the deadline to request a change in my course/schedule selection is by **4:00pm March 16, 2022.**
