

## 2025 ANNUAL CONFERENCE ON VACCINOLOGY RESEARCH DISCLOSURES

As an organization accredited by the Accreditation Council for Continuing Medical Education (ACCME), the National Foundation for Infectious Diseases (NFID) must ensure balance, independence, objectivity, and scientific rigor in all continuing medical education (CME) activities. NFID takes responsibility for the content, quality, and scientific integrity of this CME activity.

All individuals in a position to control the content of a CME activity are required to disclose all financial relationships with any ACCME-defined ineligible companies for the past 24 months. Disclosure information is reviewed in advance to mitigate any real or perceived conflict of interest that may affect the balance and scientific integrity of an educational presentation.
